IEEE

IEEE Computational Intelligence Society Japan Chapter

Young Researcher Award

(Symposium on Evolutionary Computation)

is presented to

Kei Nishihara

for the distinguished paper and presentation entitled

"Surrogate-assisted Evolutionary Algorithm using Solution

Update Performance as a Selection Criterion" (S2-11)

co-authored with *Masaya Nakata*

presented in *the 2022 Symposium on Evolutionary Computation*
on *December 17-18, 2022.*

December 18, 2022

Hirosato Seki

Chair, IEEE Computational Intelligence Society

Japan Chapter
